

Best-In-Class Quiet Blending Technology

The ultimate blender with unparalleled sound reduction, exceptional beverage blends, and improved speed of service.

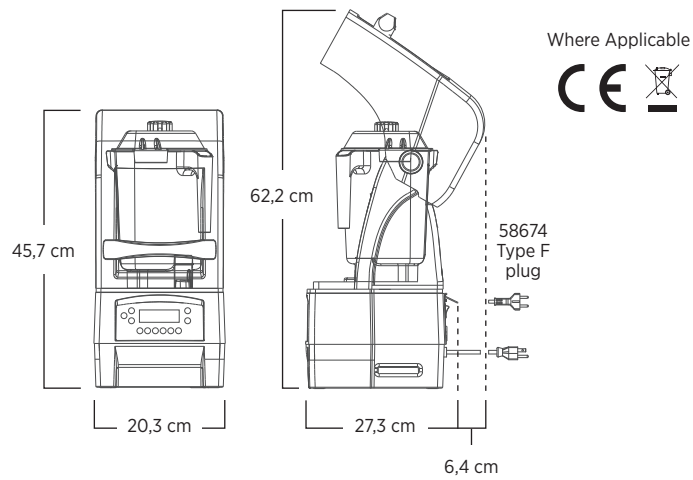

Smart Product Design

- NEW Twist-and-lock sound enclosure is easier to remove and clean
- NEW Advance Blade offers reduced noise, improved performance, and longer container life*
- Larger centering pad allows for simple, one-step cleaning
- Advanced vibration dampening technology results in a more enjoyable atmosphere
- 6 program buttons with 34 optimised settings for easier, consistent blending
- Air management and powerful 3-peak output HP motor reduces noise, improves reliability, and minimises downtime

*Based on internal testing

50031 • 58674
