Black display cooler with great visual impact

With a finish in pure black, the CEV425CP BLACK is a great alternative to white units. Because of the black finish, the content of the unit is more eye-catching and elegantly presented.

This all-black cooler with canopy is perfect for shops, supermarkets as well as a larger upright backbars in pubs and restaurants. Anywhere you want to make a beautiful and eye-catching display with wine, beer, or other beverages.

It has internal LED lighting in the door frame, which attracts more attention to the content. It is a highly presentable bottle fridge for display and offers great value for money.
