Slim Black Bottle Cooler

Our slim FS176H Black is only 435mm wide and now available in black. It is an ideal glass door bottle cooler where space is limited but you want to maximise your sales.

It comes with 5 adjustable black wire shelves and 2 vertical full length LED lights inside the door frame.

The black exterior finish looks great, the black interior makes the content stand out - especially with LED lights perfectly illuminating the content. The unit is ideal for high-end cafes, delis and patisseries. It is perfect for branding on the sides or on the glass door. We also have a version with canopy.
