LED light inside door frame

Digital thermometer

Slim Black Bottle Cooler

Our slim FSC175H is only 435mm wide and now available in black. It is an ideal glass door bottle cooler where space is limited but you want to maximise your sales.

It comes with 5 adjustable black wire shelves, 2 vertical full length LED lights inside the door frame and an LED light canopy.

The black exterior finish looks great, the black interior makes the content stand out - especially with LED lights perfectly illuminating the content. The unit is ideal for high-end cafes, delis and patisseries. It is perfect for branding.
