Black minibar fridge with frameless glass door

This minibar from our TM range is perfect for displaying a selection of drinks and snacks. The frameless glass door is an elegant design feature. Combined with the black interior as well as LED lighting, it really makes the content stand out. The absorption minibar operates silently – in fact it is classified as 0 db(A). This makes the minibar ideal for hotel rooms, the office or for placing on the counter in a lobby area or small café.
