

PORTABLES

# Portable Air Conditioning Unit

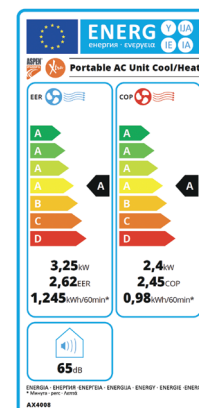

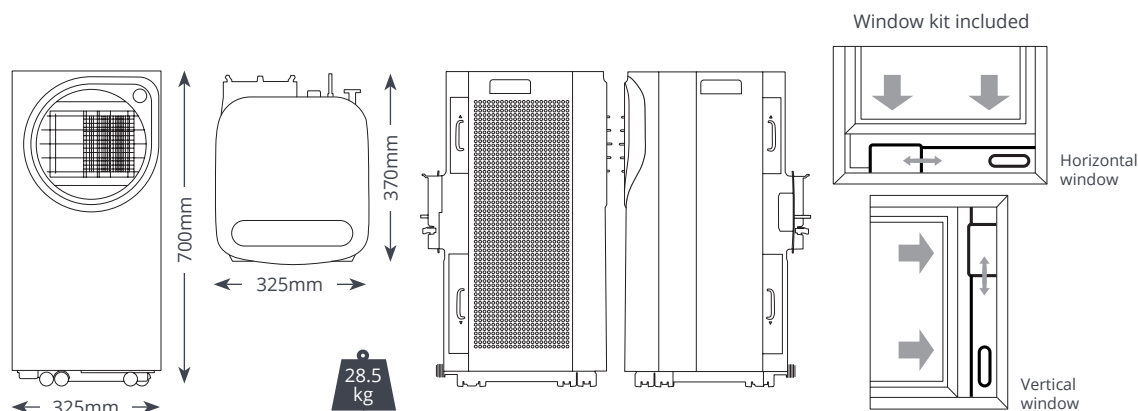

This eco-friendly portable AC unit uses R290 refrigerant for sustainable cooling and heating. Compatible with EU outlets only. Packed with a variety of features, it delivers efficient climate control for year-round comfort.

## Key Features

- Eco-friendly R290 refrigerant
- Remote control for easy operation
- Includes exhaust hose and window kit
- Sleep Mode and Child Lock for safety
- Auto water evaporation reduces maintenance
- Adjustable fan speeds and automatic fan mode
- Auto operation for optimised performance
- Airflow adjustment and auto-restart for convenience
- Multi-function: Cool, Heat, Auto, Fan, Dehumidify
