Gastronorm saladette counter for professional kitchens

With the SA saladette counter, you have everything needed for professional meal prep within easy reach. Fill the open top with GN pans (not included) and use the GN1/1 cupboards with wire shelves for chilled storage. If you prefer, it is also possible to install GN drawers instead. The worktop is crafted from durable plastic, while the cabinet itself is constructed from high-quality SS304 stainless steel for long-lasting performance and easy maintenance. The temperature is easily adjustable with a digital controller.
